SUBJECT: Meeting on Unresolved Issues from China Ad Hoc VI

I will hold a meeting at 10:30 a.m. on Tuesday, June 17 to discuss issues that were not resolved at the COCOM China Ad Hoc Group's sixth meeting and require early US action. The meeting will take place in room 5951.

The following issues will be discussed:

- 1355 - How to respond to the UK and their interpretation of the China AEN for this item. (See attached DOD paper on the issue).
- 1585 - Response by July 15 deadline to UK proposals as set forth in COCOM DOC CH (86) 8, Annex 3 (see attached copy of proposal).

FYI: We have not yet received the draft Record of Discussion from Ad Hoc VI. The seventh meeting of the COCOM China Ad Hoc group is tentatively scheduled for the week of February 23, 1987. The deadline for new proposals to be discussed in February will probably be December 31. Our records show that the following IL's are slated to be revisited during the February meeting: 1510, 1567, 1757, 1763. END FYI.
